

SCANSOURCE AND TOSHIBA GLOBAL COMMERCE SOLUTIONS.

There are more similarities between **ScanSource** and **Toshiba** than you might think. ScanSource is the leading global provider of technology products and solutions. We're making history by providing the focused expertise, centralized logistics, partner enablement, dedicated sales reps, and support you need to ensure the success of your business. Toshiba is a leading supplier of point-of-sale systems, and retail's first choice for in-store solutions. Toshiba is making history through its commerce solutions which include, but are not limited to, transforming checkout, providing seamless consumer interactions, and optimizing retail operations. Both companies meet their partners' technology needs so that, together, they can transform the shopping experience. For the end-to-end solutions your business needs, you came to the right place. ScanSource and Toshiba deliver.
